

Advertisement for the post of Research Assistant (JRF) in UPCST- funded project

Applications are invited for the post of **Research Assistant (JRF) in a UPCST-funded project** (of three year duration), entitled “**Study of toxic potential and metabolic defects of synthesized nanoparticles: An *in vivo* approach on *Drosophila melanogaster***” purely on temporary basis under supervision of **Dr. Pankaj K. Tyagi** (Principal Investigator) and **Er. Sandeep Sirohi** (Co- Principal Investigator) Department of Biotechnology, Meerut Institute of Engineering and Technology, Meerut UP (For more information please visit at MIET website: <http://miet.ac.in>)

Eligibility:

1. Candidate should have B.Tech. and M. Tech. in Biotechnology or Master in Biotechnology/ Biochemistry/ Microbiology/ Genetics/ Zoology/ Botany or any related field of Life Sciences from a recognized University.
2. **Age of candidate should be below 28 years as on 01st April, 2017**
3. Candidate should have **First class in B.Tech. and M. Tech. or B.Sc. and M.Sc.**

Desirable Qualification: Practical experience in the field of Nanobiotechnology, Biochemistry and *Drosophila* Biology as evident by publications/thesis/dissertation. NET/GATE qualified candidates are encouraged to apply.

Fellowship: As per norms of the funding agency i.e. Rs. 20,000/p.m for two years & 22000/p.m. for third year. (As per UPCST norms)

Duration: One year (extendable based on performance and availability of funds)

How to apply: Eligible and interested candidates may apply their application with complete bio-data (with details of qualification i.e. examinations passed, year, division, percentage of marks from 10th board onwards along with photocopies of mark sheets/ testimonials/ certificates and a recent passport size photograph) and also mentioning research experience in the respective field, if any. Applications should be sent directly to the **Principal Investigator by email: pankaj.tyagi@miet.ac.in (or by speed post)** to reach the following address **on or before 04th September 2017**

Date and venue of Walk-in-interview: 6th September, 2017 at 11:00 AM in the Department of Biotechnology, 3rd Floor, Academic Block, Meerut Institute of Engineering and Technology, Meerut U.P. 250005

Selected candidates will be called for interview at the MIET campus. No TA/DA will be provided for appearing in this interview.

Principal Investigator

Dr. Pankaj Tyagi

Associate Professor

Department of Biotechnology

Meerut Institute of Engineering & Technology,

District- Meerut, UP 250005
