ABOUT MIET

MIET is dynamically growing Institute in the state of Uttar Pradesh, managed and governed under the auspicious and noble organization, "City Educational & Social Welfare Society, Meerut, Uttar Pradesh". The society established Meerut Institute of Engineering & Technology at Meerut in 1997. This institute, today, is a leading Institute known for placement and academic excellence and is also a preferred destination for technical education of the region. Presently, MIET is flourishing under the leadership of Shri Vishnu Saran, a great visionary who is carrying on the dream philanthropic project nurtured by his father, the Founder-Chairman of MIET Group Late Sri C. S. Agarwal. The Institute offers different technical courses such as MBA, PGDM, MCA, M. Tech. in Biotechnology, Computer Science & Engg. and Digital Communications, M. Pharm. In Pharmaceutical Chemistry, Pharmaceutics and Pharmacology, B. Tech. in Biotechnology, Chemical Engg., Computer Science & Engg., Civil Engg., Electronics & Communication Engg., Electronics & Instrumentation Engg., Electrical Engineering, Information Technology, Mechanical Engg., and B. Pharm.

ABOUT Department of IT

The department of Information Technology was established in the year 1998. This Department offers Four Years Degree Course in Information Technology. Labs in department consist of high configured PCs with Broadband internet connection. Department also contains well qualified faculties with M.E./ M. Tech. They are technically and practically sound in various fields. The Department offers a unique combination of courses and project that helps the students to cope with the recent advancements in the computer industry and information technology.

ABOUT FDP

Keeping future of the students in mind, a course on Android based Application Development is being introduced in CS/IT/MCA programmes of the University. In order to prepare trained faculty for class room delivery of this course, The University, in association with Google has initiated Faculty Training Program on Android Skill Development for faculty members of the University. The speakers of the program and content of the training program will be from Google Inc.

PROGRAMME OBJECTIVES

- The program is aimed to give a holistic view on Android Skilling.
- The program aims at equipping teachers with skills and knowledge that are essential for android application development.
- The program is aimed at learning Android OS based Application Development.

TARGET GROUP

Faculty members of AKTU affiliated engineering colleges of following disciplines: Computer Science and Engineering, Information Technology, Master of Computer Applications. The program has a total seat for 25 faculty members. Limiting each institute for three faculty members.

COURSE CONTENT

Android basics • Android- User Interface • Android Advanced Concepts • Lab Training

OUTCOME

In the process of creating two lacs new Android developers in India, Google has collaborated with the AKTU to train the faculty members of the University. The faculty will be able to develop Android based apps and impart the skills & knowledge to the students for their professional and career advancement.

PROGRAMME LOGISTICS

Date: 15-20, May, 2017

(FROM 15 -05-2017 TO 20-05-2017)

To,

The Director / Principal,

AKTU Affiliated Institutes, running MCA / B.Tech. (CSE / IT) programmes

Subject: Nomination required for Six Days Faculty Development Programme (FDP) on “Android Skilling”

Dear Sir / Madam,

It gives us immense pleasure to inform you that for the overall benefits of the academic community, we are organizing Six Days Faculty Development Programme (FDP), from 15th – 20th May, 2017, on “Android Skilling”, sponsored by AKTU, Lucknow, in collaboration with Google Inc. The brochure is attached with this invitation letter. FDP will be conducted from 09:30 a.m. to 04:30 p.m. on the prescribed dates. There will be technical sessions along with practical sessions on the concepts like Android basics, Android- User Interface, Android Advanced Concepts, Android Programming, Hands-on development etc. Intended participants must have the basic knowledge of any Programming Language.

There is no Registration Fee for AKTU affiliated Institution’s regular faculty members. As the seats are limited; only first twenty five (25) registrations will be accepted on FIRST COME FIRST SERVED BASIS.

We request you to nominate your 02 – 03 faculty members and send their filled in Registration Form, as enclosed herewith this letter and also available at our website www.miet.ac.in, by E-Mail (Scanned copy after due signatures) at abhilash.sharma@miet.ac.in, at the earliest but not later than 08th May, 2017. **On spot registration will NOT be possible.** Kindly feel free to contact for further information to Prof. Abhilash (+91-9412311727). Looking forward for valuable participation from your esteemed organization.

Thanking you with best regards,

Dr. Mayank Garg
Executive Director,
MIET, Meerut

Encl.: As Above.
