ABOUT THE DEPARTMENT

**Premier &
Oldest Department**

- ❖ One of the Premier Department in Education & Research in Uttar Pradesh.
- ❖ Established in 2001 and is one of the oldest Departments in state offering graduate and post graduate Engineering degrees in Biotechnology.

Research Centre

- ❖ **Approved Research Center for conducting Ph.D. Program in Biotechnology by Dr. A.P.J. Abdul Kalam Technical University, Lucknow.**

**State of the Art
Laboratories**

- ❖ **State-of-the-Art Laboratories provide advanced facilities for cutting-edge research and practical learning.**

**Experienced and
Qualified Faculty**

- ❖ **Doctorate from (IITs/NITs/CSIRs)**

HoD Message

The Department of Biotechnology strives to be a premier center for education and research, fostering innovation and excellence in biotechnology. With practical-based learning and research-driven initiatives, it offers a dynamic environment supported by dedicated, accomplished faculty.

The department excels in student development, research, and placements, with funding from prestigious organizations like DST, DBT, UPCST, and ICMR, producing graduates who thrive in top global institutions and companies.

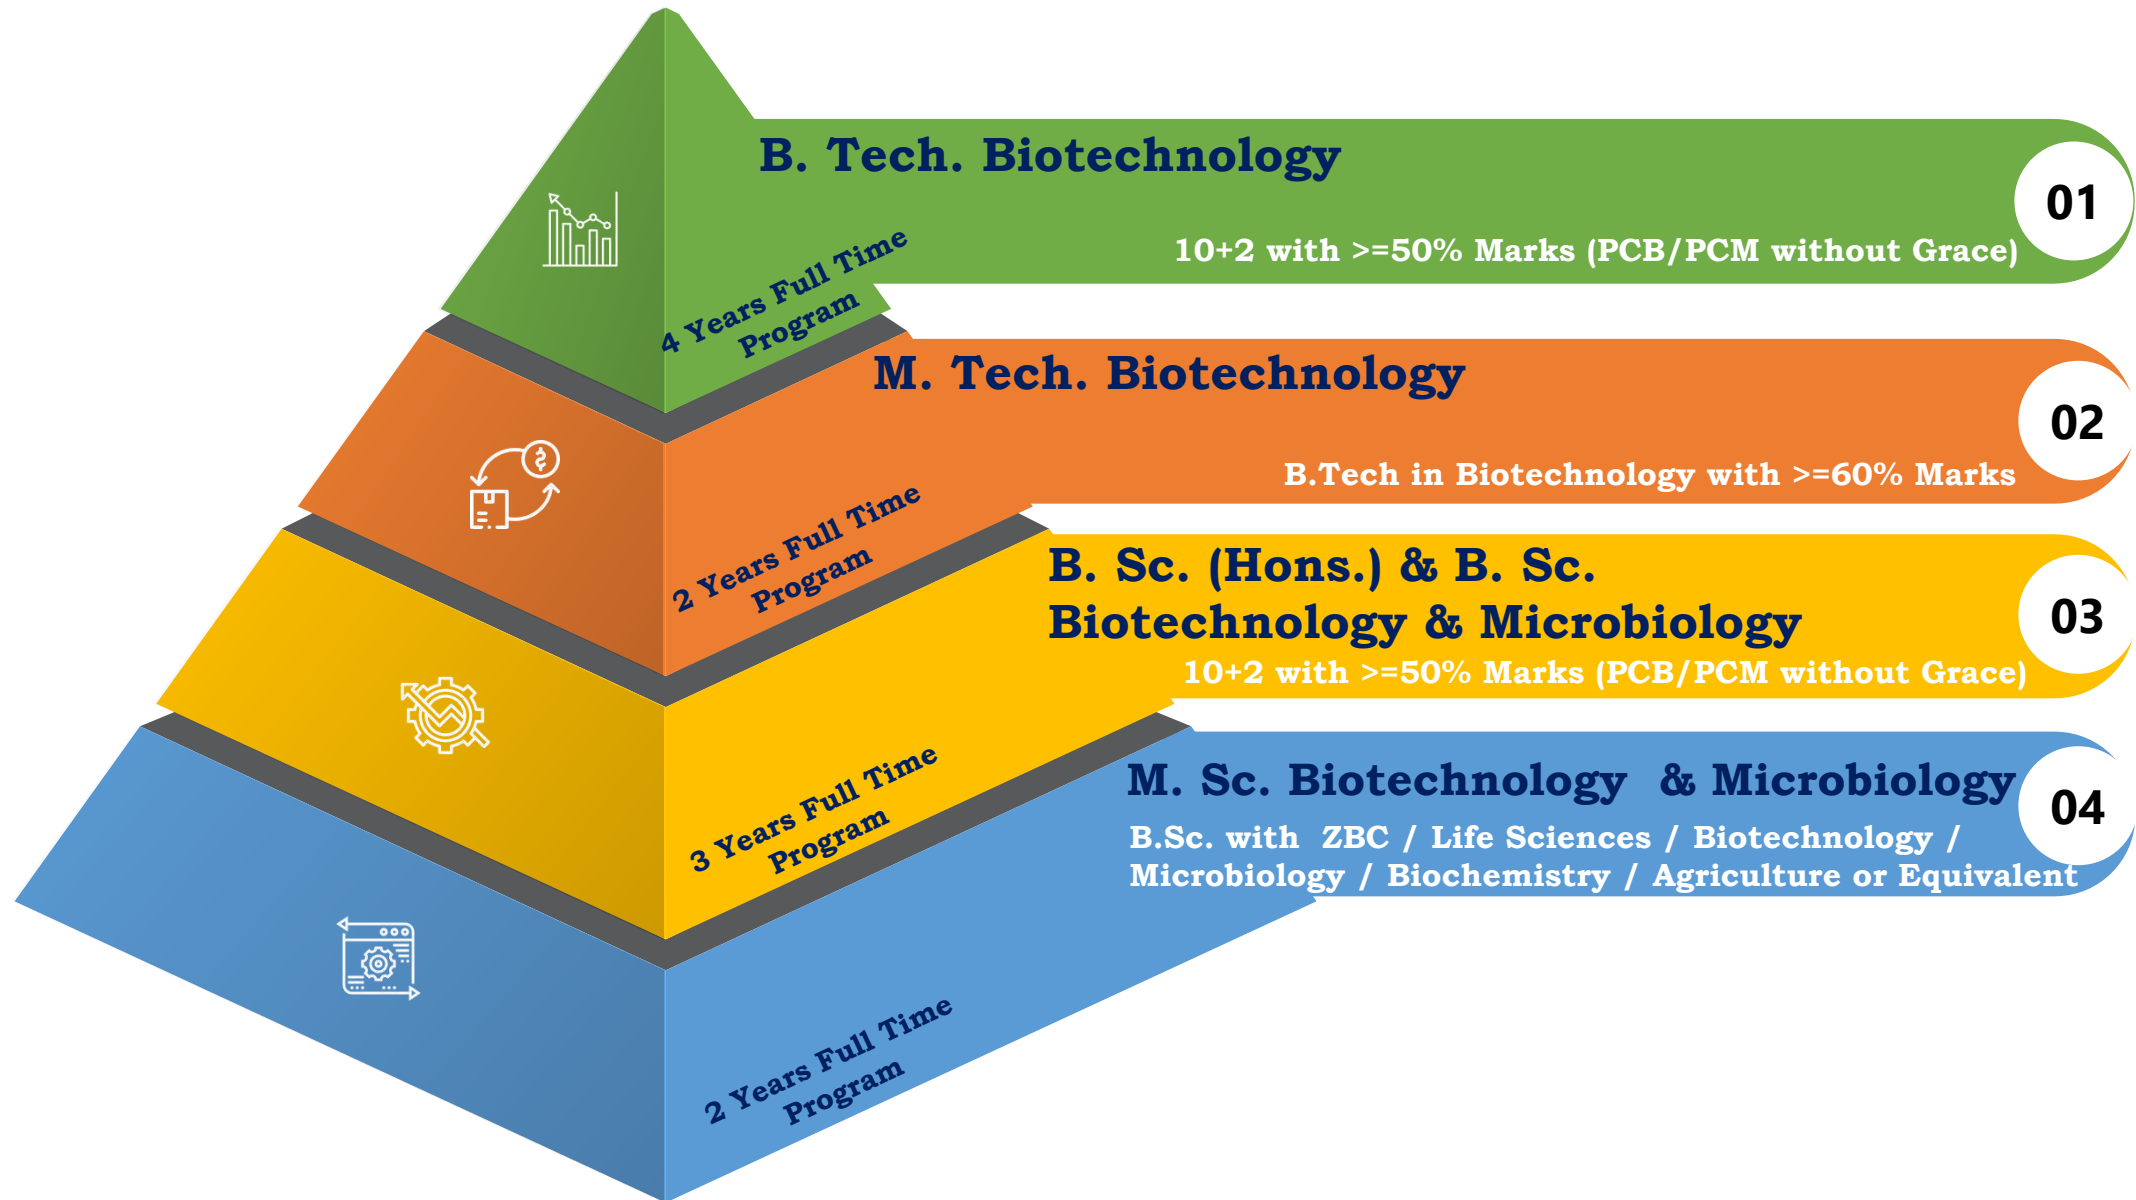

The department empowers students with holistic development through soft skills training and competitive exam preparation (GATE, CAT, CSIR NET), driving academic and professional excellence.

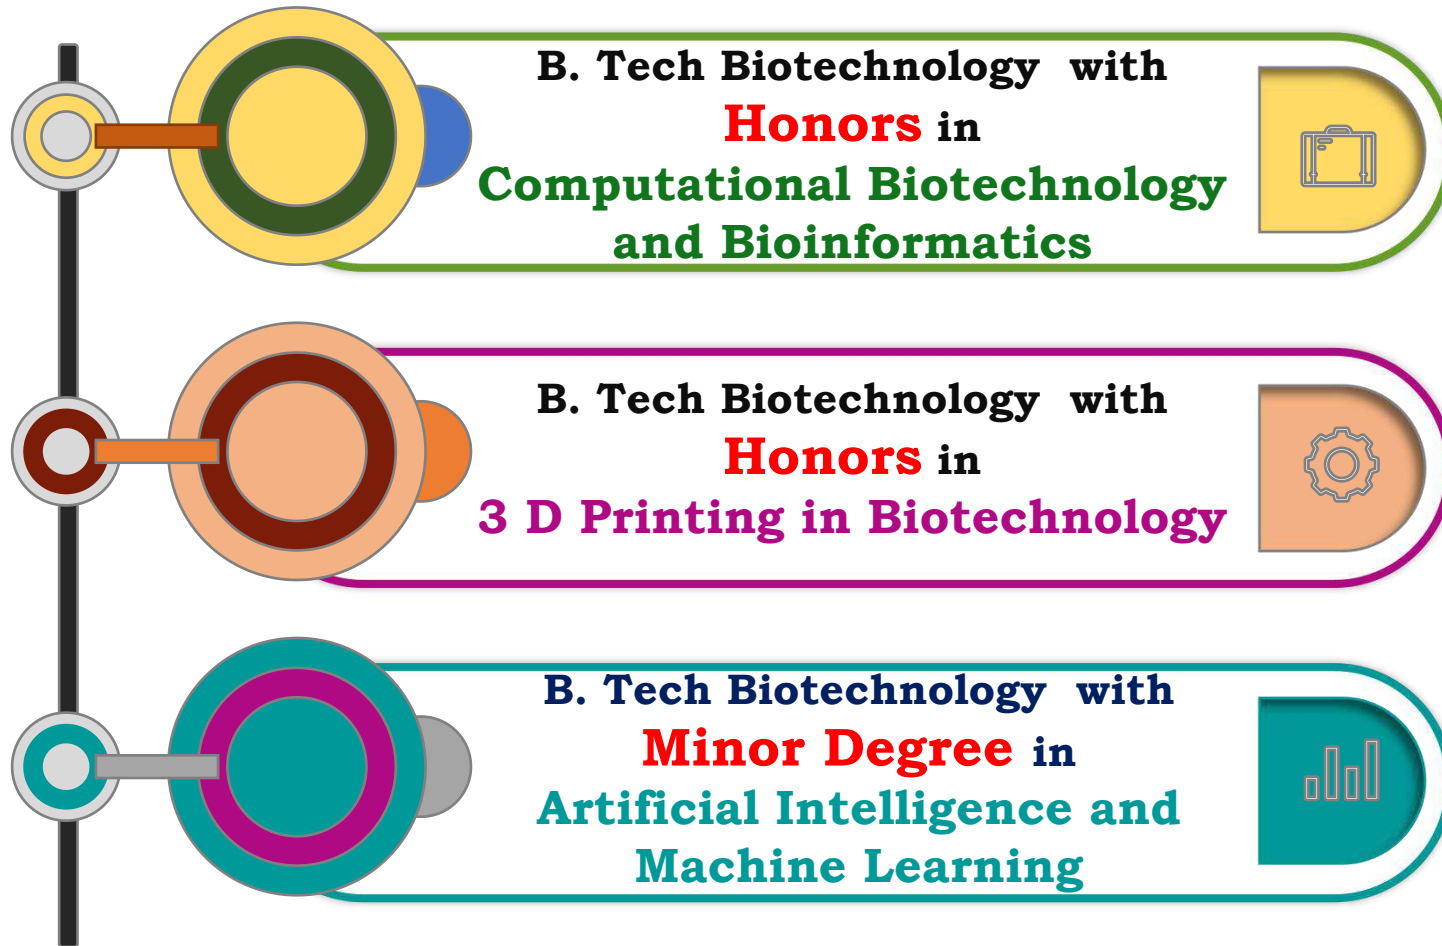

“The true purpose of education is to train the mind how to think” (Albert Einstein). This Department at MIET Meerut nurtures innovation and understanding, with students exemplifying discipline, perseverance, and excellence.

ALUMNI SPEAKS

Boston
Scientific

**Business
Head**

It's a tremendous honour to be with my almamater again today and to share my journey with all of you. My name is Ashish Singhal, currently working as Business Head at Boston Scientific, India. My experience while studying in MIET has added many skills for that I am thankful to faculty and staff. I am proud to be an alumnus of MIET, and I look forward to seeing the incredible achievements.

RAHUL CHAUDHRY
& PARTNERS

**Senior
Associate**

I am Apurva Singh, currently working as Senior Associate in Rahul Chaudhry & Partners. My journey of MIET has been memorable. The Faculties were very helpful and guided me at every step of my journey. I had learnt a lot by participated in extracurricular as well as in academics. Now after passing out and being a professional, I really cherish those college Days. My best wishes to all forthcoming Batches.

Inspector

MIET is a premier institution with the capability to nurture exceptional talent in its students. I had the privilege of being part of the Department of Biotechnology at MIET, where, under the guidance of dedicated faculty members, I excelled in my field of Biotechnology. I extend my heartfelt wishes for continued success to everyone associated with MIET. Best regards!

Ankit Kumar

ALUMNI SPEAKS

Founder

MIET Meerut has been the foundation of my journey in the medical and healthcare industry. The strong academic framework and industry-focused learning at MIET provided me with the knowledge and skills to excel in Biotechnology and the broader healthcare sector. I am proud to be a MIETian, as my alma mater played a crucial role in shaping my professional career.

Piyoosh Kumar Pandey

Project Manager

Pursuing my B.Tech in Biotechnology in 2007 was a transformative experience that shaped both my career and personal outlook. Engineering instilled in me invaluable lessons—there is no substitute for hard work, a solution-oriented mindset is key, and curiosity fuels both professional and personal growth. Beyond academics, it also reinforced the importance of building significant friendships and strong support network.

Pritee Chauhan

Content Writer

I am deeply grateful to the Biotechnology Department of MIET for laying the foundation of my journey, shaping my perspectives, and instilling the values that continue to guide me. The knowledge, experiences, and guidance I gained here remain invaluable, and I carry its spirit with pride wherever I go.

OPPORTUNITIES

Food Processing Industry

Biotechnology with innovations preservation.

enhances food processing in fermentation and

Intellectual Property & Research Patenting

Biotechnology offers opportunities in intellectual property and research patenting through novel inventions and innovations.

Production Engineer and Quality Control Analyst

Biotechnology offers opportunities in production engineering and quality control through process optimization and product testing.

Technical Writing

Biotechnology offers technical writing opportunities in creating manuals, research papers, and regulatory documents.

Pharmaceutical Sector

Biotechnology offers opportunities in pharmaceutical sector for drug discovery, development, and biopharmaceutical production.

Master & Doctorate in Biotechnology

Master's and Doctorate in Biotechnology advance expertise in biological innovation and research.

SCOPE FOR HIGHER STUDIES

Exams	Purpose	
GATE (Graduate Aptitude Test in Engineering)	ME, M Tech, direct PhD in IITs/ NITs with financial assistance provided by MHRD and other Government agencies	
CSIR-UGC NET (Council of Scientific and Industrial Research- University Grant Commission National Eligibility Test)	M.Sc. in UGC approved Universities, Junior Research Fellowship (JRF), Lectureship	
ICMR (Indian Council of Medical Research) exam	JRF/ Senior Research Fellow (SRF) with Scholarship	
ICAR (Indian Council of Agricultural Research) exam	Master Degree (M. Sc.) in State Agricultural Universities, JRF/ SRF	
DBT (Department of Biotechnology, Govt. of India)	JRF / SRF Entrance Exam	
DST (Department of Science & Technology, Govt. of India) JRF	JRF/ SRF Entrance Exam	
GAT-B (Graduate Aptitude Test of Biotechnology)	Post Graduate in Universities/ Research Institutes	
JAM (IIT Joint Admission Test for M.Sc.)	National level examination organized by the IITs and IISc for M.Sc.	

SCOPE FOR HIGHER STUDIES

Other Competitive Exams	Purpose	
Graduate Record Examinations (GRE)	For standardized test that is an admission requirement in United States	
Test of English as a Foreign Language (TOEFL)	For English proficiency in 130 countries	
International English Language Testing System (IELTS)	Being used in schools, universities, employers, immigration authorities and professional bodies in UK and 140 other countries	
CAT (Common Admission Test)	For MBA in IIMs/ IITs/ NITs/ other Premier Institutes	
MAT (Management Aptitude Test)	For MBA in Indian Universities/ Management Institutes (MI)	
FCI (Food Corporation of India)	For employment in FCI	
Patent Officer/ Patent Examiner	For employment in Government/Private Organizations as Patent Officer	
CGL (Combined Graduate Level) & Banking (IBPS - Institute of Banking Personnel Selection)	For employment in Government and Banking Sectors	

DEPARTMENTAL AWARDS AND ACHIEVEMENTS

Oldest Department in This Region (Established in Year 1999)

Affiliated to
Dr A P J Abdul Kalam Technical University
Lucknow, Uttar Pradesh, India

Academic Excellence

First NBA Accredited Department in Institute
Four Times NBA Accreditation (B.Tech. Biotechnology); 2008, 2014, 2017 & 2024

University Rank Holders

AKTU Approved Research Centre

Globally Placed Alumni

Research Excellence

DST funded DST FIST Centre
MSME Fund and Consultancy from Industry

Patents and High Index Publications

Twelve Patents filed and published in 2020 - 24.

SCI JOURNAL

100+ Research Papers Published in the last Five Years.

ACIC Supported Labs

STUDENTS AWARDS & ACHIEVEMENTS

Area	Name	Roll No.	Course	Event	Recognition
Academic	Istuti Gupta	1806854027	B. Tech	Master of Science	University of Alberta, Canada
				University Merit (Chemical Engineering Group)	4th Rank

An aerial photograph of the Meerut Institute of Engineering & Technology campus. The image shows several large, multi-story academic buildings with white facades and red-tiled roofs. Some buildings have solar panels installed on their roofs. A large green lawn is visible in the center-left, with a basketball court in the foreground. Several yellow buses are parked or moving on the roads within the campus. The surrounding area includes trees, a parking lot with cars, and a telecommunications tower. The 'miet' logo is overlaid in the top right corner.
