

Faculty Feedback

Syllabus & Trans. & Facility

Faculty Feedback Form (Syllabus and its Transaction) : 20.23. - 20.23.

Name of the Faculty : Ms. Priyanka Sharma Mobile : 6395499514.....
 Designation : Assistant Professor Department : MBA.....

Provide your feedback as per the following points so as to improve the quality of engineering education further :
 (5 – Strongly Agree; 4- Agree; 3-Neither Agree nor disagree; 2- Disagree; 1- Strongly Disagree)

S. No.	Parameter	5	4	3	2	1
1	The current contents of the syllabus are suitable to the course.	✓				
2	The courses of the curriculum have well defined objectives.		✓			
3	The specified contact hours stated in the syllabus are adequate to effectively complete the coverage of the syllabus.		✓			
4	The curriculum is a good balance between theory and practical.		✓			
5	Sufficient reference material and books are available for the topics mentioned in the syllabus.	✓				
6	The evaluation methods mentioned in the syllabus are sufficient for proper assessment.	✓				
7	The value-added courses / training of skills / technology etc. conducted are relevant to the curriculum and specialization.	✓				
8	The number of electives offered in the curriculum are adequate and are relevant to the specialization.		✓			
9	The curriculum is outcome based and the expected outcomes through various courses have been attained.	✓				
10	The syllabus meets the expectations in terms of learning values, soft skills, knowledge, professional attitude, analytical skills, applicability, relevance and practical orientation to real life situations, life-long learning and self-learning aptitude etc.		✓			
11	The syllabus adequately covers contemporary topics, global issues and emerging global and national needs.	✓				
12	The students are sensitized towards cross-cutting issues like gender equality, environment and sustainability, human values and professional ethics etc. through relevant courses of curriculum and through community service / projects / participation in awareness programs / activities / events / exhibitions etc. on socially relevant issues etc.		✓			
Mention any new technology / skill / value-added course / content to be taught to the students (to fill the curriculum gap / demand of society / need of industry / global requirement etc.)						

Remarks, if any :

Head
 Department of MBA
 Meerut Institute of Engineering & Technology
 NH-58, Baghpat Road Crossing By Pass Road,
 Meerut-250005

Date : 21-02-2023

 Prof. (Dr.) Brijesh Singh
 Director
 Meerut Institute of Engineering & Technology
 NH-58, Baghpat Road Crossing, Bypass Road,
 Meerut - 250005 (U.P.)

Faculty Feedback Form (Syllabus and its Transaction) : 2023. - 2024.

Name of the Faculty : Shweta Shukla Mobile : 7906200318

Designation : A.P. Department : E.E.

Provide your feedback as per the following points so as to improve the quality of engineering education further :

(5 - Strongly Agree; 4- Agree; 3-Neither Agree nor disagree; 2- Disagree; 1- Strongly Disagree)

S. No.	Parameter	5	4	3	2	1
1	The current contents of the syllabus are suitable to the course.	✓				
2	The courses of the curriculum have well defined objectives.	✓				
3	The specified contact hours stated in the syllabus are adequate to effectively complete the coverage of the syllabus.		✓			
4	The curriculum is a good balance between theory and practical.		✓			
5	Sufficient reference material and books are available for the topics mentioned in the syllabus.		✓			
6	The evaluation methods mentioned in the syllabus are sufficient for proper assessment.		✓			
7	The value-added courses / training of skills / technology etc. conducted are relevant to the curriculum and specialization.			✓		
8	The number of electives offered in the curriculum are adequate and are relevant to the specialization.		✓			
9	The curriculum is outcome based and the expected outcomes through various courses have been attained.			✓		
10	The syllabus meets the expectations in terms of learning values, soft skills, knowledge, professional attitude, analytical skills, applicability, relevance and practical orientation to real life situations, life-long learning and self-learning aptitude etc.			✓		
11	The syllabus adequately covers contemporary topics, global issues and emerging global and national needs.		✓			
12	The students are sensitized towards cross-cutting issues like gender equality, environment and sustainability, human values and professional ethics etc. through relevant courses of curriculum and through community service / projects / participation in awareness programs / activities / events / exhibitions etc. on socially relevant issues etc.			✓		
Mention any new technology / skill / value-added course / content to be taught to the students (to fill the curriculum gap / demand of society / need of industry / global requirement etc.)						

Remarks, if any : According to AKTO curriculum, this subject is optional. It should be considered as mandatory subject. Most of the student not studied this subject as it is optional.

Brijesh Singh

4	The curriculum is a good balance between theory and practical.	✓				
5	Sufficient reference material and books are available for the topics mentioned in the syllabus.	✓				
6	The evaluation methods mentioned in the syllabus are sufficient for proper assessment.		✓			
7	The value-added courses / training of skills / technology etc. conducted are relevant to the curriculum and specialization.	✓				
8	The number of electives offered in the curriculum are adequate and are relevant to the specialization.		✓			
9	The curriculum is outcome based and the expected outcomes through various courses have been attained.			✓		
10	The syllabus meets the expectations in terms of learning values, soft skills, knowledge, professional attitude, analytical skills, applicability, relevance and practical orientation to real life situations, life-long learning and self-learning aptitude etc.		✓			
11	The syllabus adequately covers contemporary topics, global issues and emerging global and national needs.			✓		
12	The students are sensitized towards cross-cutting issues like gender equality, environment and sustainability, human values and professional ethics etc. through relevant courses of curriculum and through community service / projects / participation in awareness programs / activities / events / exhibitions etc. on socially relevant issues etc.		✓			
Mention any new technology / skill / value-added course / content to be taught to the students (to fill the curriculum gap / demand of society / need of industry / global requirement etc.)		SFD and BMD analysis should be added to the current syllabus.				

Remarks, if any :

 Head of The Department
