

## FootBall

MIET (Meerut Institute of Engineering and Technology) proudly supports students in their pursuit of success in football. Our modern football court is a hub for skill development, teamwork, and physical fitness. Whether aiming for professional competition or recreational play, students find opportunities to excel and build camaraderie. MIET is committed to fostering well-rounded individuals, emphasizing not just academic but also athletic achievement, with our football court at the heart of this vibrant sports culture.

## Basket Ball

At MIET (Meerut Institute of Engineering and Technology), we are dedicated to nurturing well-rounded individuals, and our commitment to sports extends to the dynamic world of basketball. Our campus boasts a top-notch basketball court where students have the opportunity to refine their skills, engage in spirited competition, and foster teamwork. Whether students aspire to compete at a professional level or simply enjoy the sport recreationally, our basketball facilities provide the perfect platform. MIET recognizes the holistic benefits of sports, promoting physical fitness, mental agility, and essential values such as sportsmanship and teamwork. The basketball court is not just a place for athletic achievement but also a vibrant space that contributes to the sense of community among our students. Through basketball, MIET encourages a healthy and active lifestyle while providing students with an avenue to excel both on and off the court.

# Volley Ball

At MIET (Meerut Institute of Engineering and Technology), we are dedicated to fostering a vibrant sports culture, and our commitment extends to the exhilarating world of volleyball. Our campus proudly hosts a modern volleyball court where students can unleash their athletic prowess, teamwork, and competitive spirit. Whether students aim for victory in intercollegiate competitions or simply enjoy the camaraderie of a friendly game, our volleyball facilities cater to diverse interests and skill levels. MIET recognizes the holistic benefits of sports, promoting physical fitness, mental resilience, and essential values such as sportsmanship and cooperation. The volleyball court is not just a venue for athletic achievement but also a lively space that contributes to the sense of community and unity among our students. Through volleyball, MIET encourages an active and healthy lifestyle while providing students with a platform to excel both on and off the court.

# KHO KHO

MIET (Meerut Institute of Engineering and Technology) proudly introduces Kho Kho, a traditional Indian sport thriving on our campus. Our dedicated Kho Kho ground encourages students to engage in this fast-paced and culturally rich game. Whether playing for enjoyment or pursuing competitive goals, MIET provides a space for agility, teamwork, and strategic thinking. Beyond athletic accomplishment, our Kho Kho ground fosters cultural diversity and community spirit, embodying MIET's commitment to a well-rounded student experience.

# Chess

MIET (Meerut Institute of Engineering and Technology) is dedicated to providing students with diverse opportunities for success, including in the intellectual arena. Our institution encourages and supports students interested in chess. The chess facilities at MIET are designed to foster strategic thinking, concentration, and a love for the game. Whether students aim for competitive success or enjoy the mental challenge recreationally, our chess program is a key component of our commitment to holistic development. MIET believes in nurturing well-rounded individuals, acknowledging the importance of intellectual pursuits alongside other forms of achievement.

# Gymnasium

MIET (Meerut Institute of Engineering and Technology) is committed to offering students a comprehensive educational experience, extending support for physical development through our well-equipped gymnastics facility. Our gymnasium provides students with a space to enhance flexibility, strength, and overall fitness. Whether students aspire to compete at a high level or simply engage in recreational fitness, our gym facilities cater to diverse needs. MIET recognizes the significance of physical well-being and encourages students to embrace the benefits of gymnastics, promoting not only physical health but also discipline and perseverance. Our commitment to fostering well-rounded individuals is reflected in the vibrant sports culture on campus, with the gymnastics facility serving as a hub for physical development and a sense of community.

# Snooker

At MIET (Meerut Institute of Engineering and Technology), we understand the importance of fostering diverse interests and recreational activities. Our campus provides a relaxing and engaging environment for students interested in snooker. The well-appointed snooker facilities offer a space for students to unwind, socialize, and sharpen their cue sports skills. Whether playing for leisure or honing competitive expertise, MIET recognizes the value of recreational activities like snooker in promoting relaxation and camaraderie among our students. The snooker room at MIET is more than just a place for cue sports; it's a hub for leisure, strategic thinking, and fostering connections within our campus community.

# Carrom

MIET (Meerut Institute of Engineering and Technology) recognizes the importance of fostering a well-rounded and inclusive campus experience. In line with this commitment, our institution provides a dedicated space for carrom enthusiasts. The carrom room at MIET is a hub for friendly matches, strategic gameplay, and socializing. Whether students are looking for a break between classes or aiming to hone their carrom skills, our facilities offer a welcoming environment. The carrom room contributes to the vibrant recreational culture on campus, encouraging students to engage in a traditional game that promotes focus, precision, and camaraderie. At MIET, we believe in supporting diverse interests, and the carrom room is an integral part of our commitment to providing students with opportunities for both academic and leisure pursuits.
