

ACTIVITY: GUEST LECTURE

Topic: Angular JS

Speaker: Ms. Radhika (Alumni MIET, MCA)

Year: 2020

Organizing Department: MCA

Number of Participants: 66

Date: 10/07/2020

Description:

MIET, Masters of Computer Applications (MCA) organized a guest lecture on Angular JS. The Guest lecture has been conducted by MCA alumni named Ms. Radhika, who is now working as a Project Developer in Rippen App Co. Pvt. Ltd.

Angular JS is a JavaScript-based open-source front-end web application framework maintained by Google and by a committee of individuals and colorations. Its aims to simplify both the development and testing applications.
