About IEEE:

IEEE is the world's largest professional association dedicated to advancing technological innovation and excellence for the benefit of humanity. IEEE and its members inspire a global community through IEEE's highly cited publications, conferences, technology standards, and professional and educational activities. IEEE serves its members and their interests with 39 Societies; 130 journals, transactions, and magazines; more than 300 conferences annually; 900 active standards. It is the world's largest professional association comprising of over 430,000 members (including 120,000 student members) in more than 160 countries. IEEE sponsors more than 1,900 annual conferences and events worldwide, curating cutting-edge content for all of the technical fields of interest within IEEE.

About IEEE UP Section:

The IEEE, UP Section is one of the Sections in India coming under the Asia-Pacific Region, Region 10 of IEEE. It covers the entire state of Uttar Pradesh and Uttarakhand. The UP section was approved on 11 May 1992. The UP Section conducts activities which assist the local IEEE members to enhance their professional careers and their communities.

About MIET:

MIET Group of Institutes established in 1997 is one of the oldest technical institutions in the region. The Institutes are affiliated to AKTU, CCS University, UTU Dehradun and Kumaon University. The Institutes have been approved by the concerned statutory bodies such as AICTE, Board of Technical Studies and NCTE. It has good NIRF Ranking and is NAAC approved and currently five departments are NBA approved. The group employs over 1,000 staff and has more than 6000 students. The Institute offers PG and UG courses including MBA, PGDM, MCA, M.Tech., M.Pharm., B.Tech. in 8 popular branches and B.Pharm. The Institute has established Atal Community by Innovation Centre, a five-year project from NITI AYOOG to foster the culture of innovation and entrepreneurship on the campus. MIET group is flourishing under the able leadership of Shri Vishnu Saran, a great visionary. He is carrying on the dream philanthropic project nurtured by his father the Founder-Chairman Late Shri C.S. Agarwal. He believes in and follows the four golden principles for success – foresight, hard-work, determination and discipline.

About the Conference:

The 7th IEEE International Conference on Advances in Computing and Communication Engineering (ICACCE-2021) will be held at Meerut Institute of Engineering and Technology (MIET), Meerut India on 22-24 April 2021. The three-day conference will include invited keynote and oral presentations. ICACCE-2021 will provide a forum for researchers and engineers in both academia and industry to exchange the latest innovations and research advancements in Advances in Computing and Communication Engineering. ICACCE-2021 also provides the attendees the chances to identify the emerging research topics, as well as the future development directions. Prospective authors are invited to submit full (original) research papers, which are NOT submitted or published or under consideration anywhere in other conferences or journals.

Chief Patron:

- **Shri Vishnu Saran**, Chairman, MIET, Meerut, India

Patron:

- **Shri Puneet Agarwal**, Vice-Chairman, MIET, Meerut, India

General Chair(s):

- **Prof. S. N. Singh**, IIT Kanpur, India
- **Dr. Mayank Garg**, MIET, Meerut, India
- **Dr. Ajit Singh**, BTKIT Dwarahat, India

Conference Chair(s):

- **Dr. Vishal Kumar**, BTKIT Dwarahat, India
- **Dr. Satish Kumar Singh**, IIIT Allahabad, India
- **Dr. Madhusudan Singh**, Woosong University, S. Korea

Conference Co-Chair(s):

- **Prof. D. K. Sharma**, MIET, Meerut, India
- **Dr. Shashwat Pathak**, MIET, Meerut, India
- **Dr. Sunil Kumar**, MIET, Meerut, India
- **Dr. Mukesh Rawat**, MIET, Meerut, India
- **Prof. M.I.H. Ansari**, MIT, Meerut, India

Organizing Chair(s):

- **Dr. Vimal Kumar**, MIET, Meerut, India
- **Dr. Vikrant Varshney**, MIET, Meerut, India
- **Prof. Varun Kumar Kakar**, BTKIT Dwarahat, India
- **Prof. Pradeep Pant**, MIET, Meerut, India

Call for Paper:

Original, unpublished and addressing state-of-the-art research contribution by researchers is invited. This work should not be currently under review by any other Conference or Journal. Accepted papers will be published in the proceedings and may be sent for possible inclusion in the IEEE Xplore publication. At least one author of each accepted paper is required to register and present their work at the conference; otherwise, the paper will not be included in the proceedings and IEEE Xplore. Best Paper/ Demo Awards will be presented to quality research work. At least one author of each accepted paper is required to register and present their work at the conference; otherwise, the paper will not be included in the proceedings. Best Paper/Demo Awards will be presented to high-quality papers/demos.

Conference Subthemes and Tracks:

Track 1 : Software Defined Networking

Track 2 : Smart City

Track 3 : Communications, Networks and Real-Time System

Track 4 : Big Data Analytics and Data Mining

Track 5 : Security, Privacy and Trust

Track 6 : E-Learning, E-Commerce, E-Society and E-Governance

Track 7 : Information System and Signal Processing

Track 8 : VLSI, Power Systems and Embedded System

Track 9 : Control Theories and Applications

Track 10 : Electric Power and Energy Systems

Track 11 : Antenna, Microwave and RF

Who Should Attend?

Faculty members/ research scholars/ students from academic institutes approved by the AICTE/UGC/MHRD and Scientists/ Engineers working in Private/ Public/ Govt. organizations/ Industries etc. can attend the conference.
