## ABOUT THE CITY

Situated between Ganga and Yamuna, close to the imperial capital, Meerut Distt., has been a center of varied activities throughout the course of history. Meerut has since time immemorial been, an important city at national as well as international scene. Its progress and development has, therefore, been rapid and on the latest modern technological lines. Its proximity to Delhi is boon to this region. The enterprising populace armed with modern education and latest technology has developed Meerut into one of the most important business centers of Western U.P. Meerut already had an important Cantonment to boast of; but now it has developed a huge pharmaceutical market, innumerable factories, school, colleges and management institutes as well as medical college.

## ABOUT THE INSTITUTE- MIET

Meerut Institute of Engineering and Technology (MIET), located in the National Capital Region (NCR), is one of the best and oldest self financed institutes in Uttar Pradesh, India. This Institute, today, is a leading Institute known for its academic excellence and placement. It lays claim to have an extensive academic environment, finest faculties and best

## ABOUT THE DEPARTMENT

The Department of Biotechnology (DBT) at MIET, Meerut is one of the premier department in Biotechnology education & research in Uttar Pradesh, India. The department was established with the aim to be "Center of Excellence" by imparting quality education & developing vision & research skills in young Bio-technocrats. The Department of Biotechnology is also an Approved Research Center of Dr. A.P.J. Abdul Kalam Technical University, Lucknow, for conducting Ph.D. Program. The Department is well equipped with "state-of-the-art" laboratories. The Departmental faculty is highly qualified, experienced & specialized in different areas of Biotechnology.

## ABOUT THE CONGRESS

The Andrology Congress serves as an important opportunity for clinicians, scientists, veterinary practitioners, academicians and students from all over the country and to meet and discuss relevant issues of the male reproduction. It also offers a forum to view the latest innovations in the emerging field of the reproductive health. Society of Andrology: India organizes Annual Congress of Andrology with an aim to disseminate knowledge of andrology, and to promote basic and clinical research in andrology.

## SCIENTIFIC PROGRAMME

The official language of the congress will be English. The congress will have oration, plenary lectures, symposia, oral and poster presentations. The scientific sessions will have deliberations on the theme-

- Artificial intelligence and Male fertility
- Gene editing
- New reproductive technologies
- Erectile dysfunction
- Artificial insemination
- Male contraception
- Male reproductive physiology
- Prostate
- Semen analysis
- Fertility management

## AWARDS

**R.K. Laumas Young Scientist Award (01)-** It will be presented to the young scientist below the age of 35 years.

**Three (including 01 award for women scientist) best-selected presentations** by young scientists (below the age of 35 years) will be provided travel support for the next Congress and their registration fee will be waived off. In addition they will be facilitated with appropriate awards.

**Five best Poster and Five best Oral Presentations** will be awarded by **MIET Biotechnology Society (MBS)**.

## TRAVEL GRANT- ANDROHOST

Androhost is a programme of Society of Andrology: India, to help the registered participants in need of financial assistance. Androhost would be pleased to provide the financial assistance for travel (sleeper class/ bus fare both ways) to 20 students/ Research Associates (on first come first serve basis) desiring to attend the Congress subject to the condition that they are Life members of the Society of Andrology: India and will be presenting the paper.

## HOW TO REACH MIET, MEERUT

MIET, Meerut is 65 km away from New Delhi, on Delhi-Haridwar Highway No.58. The interstate buses are available frequently from Delhi ISBT. Most of the trains going from Delhi to Haridwar / Dehradun stop at Meerut.

## ACCOMODATION

All delegates will be provided free accommodation on request basis, in the hostels and Guest House of the Institute. For special accommodation delegates may contact the Chairman of the Congress for the tariff and booking in the hotels.

## SCIENTIFIC VISIT FOR DELEGATES

A visit to ICAR-Central Institute of Research on Cattle, Meerut Cantt. and Bull Semen Centre will be organized for delegates during the Congress.
