

## CONFERENCE PAPER

Nidhi Chaudhary, and Mala Kalra. "An improved Harmony Search algorithm with group technology model for scheduling workflows in cloud environment." In *Electrical, Computer and Electronics (UPCON), 2017 4th IEEE Uttar Pradesh Section International Conference on*, pp. 73-77. IEEE, 2017

Jain Vaibhav, **Singh Ajay Kumar** and Kumar Rajendra, "An Efficient Approach for Latent Fingerprint Recognition", IEEE Conference at ABES Engg. College (CICT-2016), February 2016 (**Accepted Paper ID: 39**).

**Anuradha Taluja** , Harish Kumar "Network Reliability Measurement using Artificial Neural Approach" International Conference BIET, Jhansi, 2016 on Biomedical Engineering & Supportive Technologies-

Uma Tyagi, Anil Kumar, Pradeep Pant and A. Senthil Kumar, "Similarity and Dissimilarity Measures with Fuzzy Classifiers: A Review", Proceedings of National Symposium on Geomatics for Digital India, Jaipur, Rajasthan, December 16-18, 2015

Jain Vaibhav, **Singh Ajay Kumar** and Kumar Rajendra, "A Comparative Study of Touch and Touchless Fingerprint Recognition", International Conference (RTSTMSD-15) Kuala Lumpur, Malaysia, 22-23 December 2015 (**Accepted Paper ID- KUL 067**).

Kumar N., "An Integrated Approach to Spatial Domain Lossless Image Data Compression", Published in ICRTNB-2013, Subharti University, Meerut, 26-28 April, 2013.

**Anuradha Taluja** , Harish Kumar "**Enhanced LSB technique for Audio Steganography**" International conference organized by Chettinad College of Engineering & Technology, Karur (TamilNadu) ICCCNT 2012

Gupta T. S., Sharma A.K., Garg A., Singh A. K., "Secure Transmission of an electrical Signal", Published in FTICT-2011, RKGIT, Ghaziabad, 2011.

Kumar V., "Issues in Software Metrics & Reliability", Published in Next Generation Computing & Information Security, Emerging Trends for Future Challenges NCNGCIS 2011, IMS, Noida, March, 2011.

**Anuradha Taluja** , Harish Kumar ,"**Audio Steganography step toward the secure data transmission**" for National Conference organized by ITS Ghaziabad, OCT 2010.

**Anuradha Taluja** , Harish Kumar "**Information and Communication Technology a Ram Ban for development of Uttar Pradesh**" National Conference in Feb 2010 Organized by Department of Computer Science & Engineering, Bhartiya Vidya Peeth, Delhi, INDIACOM 10.

**Anuradha Taluja** , Harish Kumar “Jena: An Open Source Java Tool Kit: An Overview” National Conference in Feb 2009 Organized by Department of Computer Science & Engineering, Bhartiya VidyaPeeth, Delhi.

Kumar P., **Singh A. K.**, Singh G., Chakravarty T., & Bhooshan S., “A novel printed cross antenna for wideband application”, Published in IEEE-IWAT-07, Cambridge, UK, March, 2007.

Ved P. Mishra, Ankita Taneja, **Singh A. K.**, “Software defined radio architecture with assignment of local frequencies”, Published in National Conference on Wireless and Optical Communication (WOC-2007), Punjab Engineering College, Chandigarh, December, 2007.

Taneja A., Mishra V. P., **Singh A. K.** & Singh G., “Research overview of software defined radio”, Published in National Conference on Wireless and Optical Communication (WOC-2007), Punjab Engineering College, Chandigarh, December, 2007.

Kumar V., “Emerging Role of Internet governance in IT”, Published in National Conference, on Contemporary Issues in IT & E-Business, IIMT Management College, Meerut, March, 2007.

Kumar P., **Singh A. K.**, Singh G., Chakravarty T., & S. Bhooshan, “Terahertz technology-a new direction”, Published in IEEE International Symposium on Microwave, Bangalore, 2006.

**Singh A.K.**, Rajput A., Lodha A., Gupta Y., Vishwanathan D. & Singh G.” Algorithm design for a hybrid line following automated robot”, Published in International Conference on Wireless Networks & Embedded Systems- (WECON-2008), Chitkara Institute of Engineering & Technology, Rajpura (Punjab), 18-19 October 2008.

Taneja A.,Mishra V. P., **Singh A.K.**, Singh G.& Ghrera S.P.” Security architecture for SDR system using OTA download sequence”,Published in Software Defined Radio Technical Conference SDR`08, Washington DC (USA), October 2008.

**Singh A.K.**, Singh G. & Chauhan D.S., ” Software defined radio in wireless ad-hoc network”, Published in Software Defined Radio Technical Conference SDR`08, Washington DC (USA), October 2008.

**Singh A.K.**, Taneja A.,Tandon H., Aggarwal A. & Singh G.”Software defined radio\_talk through application”,Published in International Conference (IEEE) Recent Advances In Microwave Theory and Applications, Jaipur (Rajasthan), November 2008.

Khare R. & **Singh A.K.**,” Analysis of the Gnutella Protocol and Identifying the Security Weaknesses”, Published in National conference on Network Security, KIET, Ghaziabad, February2008.

**Singh A.K.**, Kumar P., Singh G. & Singh A.K.” Banking enquiry by interactive voice response system”, Published in National conference on emerging trends in information technology NCEIT- 2008, Institute of engineering & emerging technologies, Makhnumajra, Baddi. Dist. Solan. H.P.,September 2008
