

EventReport

Department of Computer Science and Engineering

Name of Event: WebCrafty Crew

Date and Duration: October 18, 2020, Three Hours

Faculty Coordinators:

- Dr. Mukesh Rawat

Student Coordinators:

- Samarth Anand
- Gehna Malik

No. of Participants: 48

Highlights of Event:

UDYAT is a team that specializes in the computer science and information technology domain. Thus, we people are the computer science society of MIET. We specialize in almost all domains of the field including python, Salesforce, Java, machine learning, android, web development, etc. At UDYAT we believe that knowledge has no bounds thus, we keep organizing various events around the year for you people to test the depth of your knowledge.

WebCrafty Crew:

It is the web development Event. In this event we provide a topic to the participants and they have to make their websites in the duration of 3 hours. It is paid competition in which top 3 performers get some exciting prizes and Cash Rewards.

We focus on learning and innovation so it's not only the competition it clears the perspective of students towards web development.

The statistics of contest are as follows:

Total no of Participants: 48

Total code Submission: 48

Number of Students from other Colleges: 5
