### STUDENTS' EXPERIENCES

*'On field research work has improved my credibility, confidence and ability to influence others. The activities and assignments encouraged me to interact with people and, in turn, grow as a person.'*

**-Akshay Saini MBA-IV SEM**

*'Life in the MBA program goes beyond the cohort classrooms. MIET helped me to build a holistic understanding of Corporate. The best thing about MIET is that there is something to do here for everyone.'*

**-Divya Singhal MBA-II SEM**

*'I can't imagine a better place to study Management than at MIET. The faculties are fantastic, with diverse interests on the cutting edge of the field. The environment is welcoming and congenial.'*

**-Divya Rana MBA-IV SEM**

*'At MIET, Management programme is very good and gives students the opportunity to be involved in exciting cutting edge multidisciplinary projects. They participated in several social activities with the students, as well as seminars and roundtables on topics of interest to students.'*

**-Nupur Mittal MBA-IV SEM**

*'I learned the value of Management from the MIET. I will always cherish my two years at MIET as a student.'*

**-Surbhi Rastogi MBA-IV SEM**

*'MIET MBA program combines rigorous theoretical learning with applied projects on current market scenario, along with practice in technical writing and presentation skills. This gives one a solid background for almost any future career.'*

**- Urooj MBA-II SEM**

*'I feel very fortunate to have the opportunities at Miet. Miet facilitate the education of MBA in many branches with very rich culture and social status. And when people have a larger understanding of the human experience, they become better Manager and better people.'*

**-Utkarsh Sharma MBA-IVSEM**
