

**Soft Skills:** Fluent, Aspen plus, Ansys

### **Specialization**

**M.Tech:** Preparation of activated carbon from agro waste

**Ph.D:** CFD Analysis of Newtonian and Non Newtonian fluids around heated bluff bodies

**Other:** Member of BOS AKTU chemical, food and plastic engineering, Gold medalist MTech, Life-time member of AICHE,

### **Area of Interest**

**Research:** CFD Analysis of Newtonian and Non Newtonian fluids around heated bluff bodies

**Technology Development:**

**Innovation:**

**Technology Transfer:**

**Other:**

**Participated - In Specialized Training / Certified Courses:**

**Publication - Books / Chapters / Papers / Articles / Blogs:**

5 in sci

**Funded Projects Undertaken:** Project submitted under SERB (As a co-PI)

**Any other information:**
