

Vishal Chaudhary (Computer Science)

Soft Skills: C,python

Specialization

M.Tech: Cyber Security

Area of Interest

Research: Image Processing

Participated - In Specialized Training / Certified Courses: AWS

Publication - Books / Chapters / Papers / Articles / Blogs: • Paper on “Fourier Transform based Digital Watermarking Scheme for Biometric Images” accepted at International conference on “Advances in Electronics: Electrical: Computational Intelligence”- 2019 (ICAEEC-19), IIIT Allahabad, Prayagraj, whose proceedings will be published in ELSEVIER-SSRN Digital Library.

• Paper on “Reversible Watermarking scheme for Authentication and integrity control in Biometric Images” Submitted in 4th IEEE International Conference on Information Systems and Computer Networks ISCON 2019.
