

KAMAL KUMAR (Civil Engineering)

Soft Skills: AUTOCAD

Specialization

M.Tech: STRUCTURAL ENGINEERING

Area of Interest

Research: Axial capacities of concrete filled steel tubes with high volume rubber concrete

Technology Development: Structural Engineering

Innovation: Structural Engineering

Technology Transfer: Structural Engineering

Participated - In Specialized Training / Certified Courses: FACULTY DEVELOPMENT PROGRAM FOR STUDENT INDUCTION

Publication - Books / Chapters / Papers / Articles / Blogs: RESEARCH PAPER ON AXIAL PERFORMANCE OF GGBSS CONCRETE FILLED STEEL TUBE IN ELSEVIER JOURNAL
