

## **Dr. Chandan Kumar (Electronics and Communication )**

**Soft Skills:** Leadership, decisiveness, flexibility, problem-solving, team work, responsibility, self-motivation

### **Specialization**

**M.Tech:** Microelectronics and VLSI

**Ph.D:** Optoelectronic and sensor devices

### **Area of Interest**

**Research:** Electronic device simulation and fabrication, sensor design, optoelectronic devices, VLSI

**Publication - Books / Chapters / Papers / Articles / Blogs:** 01 book chapter (Elsevier publication), 02 Indian patent filled, 32 SCI journals, 26 international conferences
