

Soft Skills

Excellent Communication and Presentation Skills

Specialization

M.Tech: Mechanical and Industrial Engineering

Area of Interest

Research: Industry 4.0, IOT, Automation , Industry 4.0, IoT, AI Industry 4.0, IoT, IIoT

Participated - In Specialized Training / Certified Courses

Material Characterization by IITD
Research Methodology by IITR
Advancements in Manufacturing technologies IITK
Rapid Prototyping and 3D printing IITK
Advancement in automotive technologies NITTTR
SIEMENS certified Solid Edge Professional

Publication - Books / Chapters / Papers / Articles / Blogs**Any other information**

SPOC : Design and Analysis Center (Mechanical Engineering)
NBA coordinator (Mechanical Engineering Department)
