

Ankur Verma (Mechanical Engineering)

Specialization

M.Tech: Thermal Engineering

Area of Interest

Research: I.C. Engines, Bi-fuels, Electric Vehicles. Retrofitment, Renewable Energy Resources

Participated - In Specialized Training / Certified Courses:

1. Design and Analysis of Mechanisms and Machines through Motion view and Matlab - MNIT, Jaipur
2. 5 days training program on 2nd Summer School in Automotive Technology at IOCL, Faridabad.
3. 7 days training program at Bosch Ltd. Delhi.
4. 6 days hands on training program on "Engine Technologies" at Automobile Training Academy, Greater Noida.
5. 7 days FDP at KIET, Ghaziabad on "Engineering Thermodynamics".
6. 14 days GDP at IIT, Roorkee on "Fluid Dynamics"
