

## **Mahendra Singh (Mechanical Engineering)**

**Soft Skills:** Good Lecture delivery, good connectivity with students

### **Specialization**

**M.Tech:** Production and Industrial Engineering

### **Area of Interest**

**Research:** Thermal and Production Engineering

**Other:** Running Lecture series for the competitive examinations for Mechanical Engineering

**Participated - In Specialized Training / Certified Courses:** Anaya/CFD

**Publication - Books / Chapters / Papers / Articles / Blogs:** Article on Numerical Problem Solving Techniques

**Any other information:** GATE qualified in 2012,2013 and 2014  
Certified in top 5 % by NPTEL in the course of Manufacturing Processes  
Certified in top 5 % by NPTEL in the course of Thermodynamics
