

NITESH KUMAR (Mechanical Engineering)

Soft Skills: SOLID EDGE ST-10, EXECL, POWER POINT

Specialization

M.Tech: PRODUCTION ENGINEERING

Area of Interest

Research: Refrigeration and Air-conditioning, Friction stir welding

Technology Development: Developed a setup for friction stir welding

Participated - In Specialized Training / Certified Courses: SOLID EDGE ST10, Ansys

Publication - Books / Chapters / Papers / Articles / Blogs: A COMPARATIVE STUDY OF CORROSION AND WEAR BEHAVIOUR OF 316 L STAINLESS STEEL WITH Ni-20%Cr AND Cr₃C₂-25%NiCr COATINGS USING DETONATION GUN PROCESS (International Journal of Applied Engineering Research ISSN 0973-4562 Volume 13, Number 9 (2018) pp. 144-148)
