

Dr. Saumya Shah (Mechanical Engineering)

Soft Skills: ANSYS, AutoCAD

Specialization

M.Tech: Applied Mechanics

Ph.D: Machine Design

Area of Interest

Research: Failure analysis of composites

Publication - Books / Chapters / Papers / Articles / Blogs: Saumya Shah, Pradeep Kumar, S.K. Panda and Sandeep Kumar: "Mixed-mode thermoelastic delamination fracture behavior of composite skin stiffener containing interface delamination", Journal of Materials Research and Technology, 2019 (<https://doi.org/10.1016/j.jmrt.2019.09.069>)
