Almost all these documents were communicated to all the esteemed personnel of Governing Body by email on dated July 27, 2023. After discussion and incorporating the suggestions put forth by the esteemed members of governing body, the above-mentioned policy / guidelines / documents were approved.

### 37.6 : To review the IPR and MOU related work

The status of SCOPUS publications (as per Scopus database, till August 02, 2023) is as per following :

Year	2024	2023	2022	2021	2020	2019	2018	Till 2017	Total
Nos. of Publications	1	79	145	105	91	73	34	428	956

However, total publications are more than mentioned above as total publications include publication not only in Scopus / SCI but also in UGC Care and other peer-reviewed journals and conferences of repute.

The details of IPR (Patent / Copyright etc.) and MOUs till July 31, 2023 are as per following :

S. No.	Year	Patents	Design Patent	Copyright	Trademark	Total IPR	Total MOUs
1	Overall	09	19	02	03	33	Approx. 60

The status of Publications, IPR and MOUs was approved by governing body. Further, everyone insisted for improvement in this respect.

### **37.7 : Any other with the kind permission of the chair**

a. In the research policy (Point 5.4 : **Patents, Copyright and Monogram**), it has been suggested that :

*There should be no reward on publication of patent as institute is providing financial support for the same. Further, separate MOU is to be done among all the parties [MIET vs applicant(s)] for Commercialization of Patent / Technology Transfer, that may be executed before / after the grant of patent concerned.*

b. The progress as per Strategic Plan was shown.

*The meeting was adjourned at 12:50 am with thanks to everyone. The minutes of meeting are prepared and approved by undersigned.*
