Alumni Speaks

Assistant Drugs
Controller

MIET played a crucial role in shaping my professional foundation. The academic rigor and values I gained there have guided me throughout my 15+ years of service with CDSCO, under the Ministry of Health & Family Welfare, Government of India. From national investigations to international regulatory collaborations, the journey began at MIET

– Vinay Kumar Gupta

Business
Head

MIET has been the launchpad of my professional journey. The strong academic foundation and values instilled during my time there have supported me throughout my 20 years in the pharmaceutical, diagnostic, and medical device industries. Today, I proudly lead the Surgery Business for North & East India at BD India Pvt. Ltd., a U.S.-based medical device company

– Mr. Ankur Sachdeva

Executive
Director

MIET has been instrumental in shaping my journey in the pharmaceutical industry. The strong academic environment and support I received laid the groundwork for my growth in global regulatory affairs. Today, as Executive Director – Global Regulatory Affairs at Organon, I proudly carry forward the values and vision fostered during my time at MIET.

– Avinash Bachhil

Alumni Speaks

parexel.

Operations
Leader

My journey at MIET was the stepping stone to a fulfilling career in clinical research. The knowledge, guidance, and opportunities I received as part of the 2011 batch laid a strong foundation for my professional growth. Today, as a Clinical Operations Leader at Parexel International, I take pride in being a part of the MIET legacy.

– Ranjeet Gupta

HiGlance
Think Life!

Head Quality
Assurance

MIET provided me with the right platform to build a strong career in quality assurance. The academic excellence and practical exposure I gained have been invaluable in my journey. Today, I proudly serve as Head – QA at HiGlance Laboratories Pvt. Ltd., carrying forward the values instilled at MIET. The institute not only shaped my technical skills but also helped develop the leadership qualities that define my role today.

– Tanuj Yadav

Senior
Pharmacist

Being a part of MIET (Batch 2002–2006) was a defining phase of my academic and professional journey. The strong foundation in pharmaceutical sciences prepared me well for real-world challenges. Today, as a Senior Pharmacist with the Indian Railway Health Department, Northern Railway, I take pride in being an MIET alumnus.

– Kovidendra Kaushik

Scope of Pharmacy

Opportunities

Clinical & Hospital Pharmacy

Work in hospitals, advising physicians, ensuring rational drug use, and managing medication therapy for better patient outcomes.

Intellectual Property & Research Patenting

Pharmacy graduates can pursue careers in intellectual property rights, drug patenting, and regulatory submissions (FDA, CDSCO).

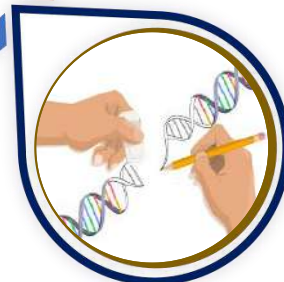

Production & Quality Control Analyst

Ensures compliance with GMP/GLP, tests drug quality, and monitors production processes in pharmaceutical manufacturing

Medical & Scientific Writing

Pharmacists contribute to drug monographs, clinical research reports, regulatory documents, and scientific journals.

Research Scientist

Pharmacy offers research opportunities in drug formulation, pharmacokinetics, pharmacodynamics, and novel drug delivery systems.

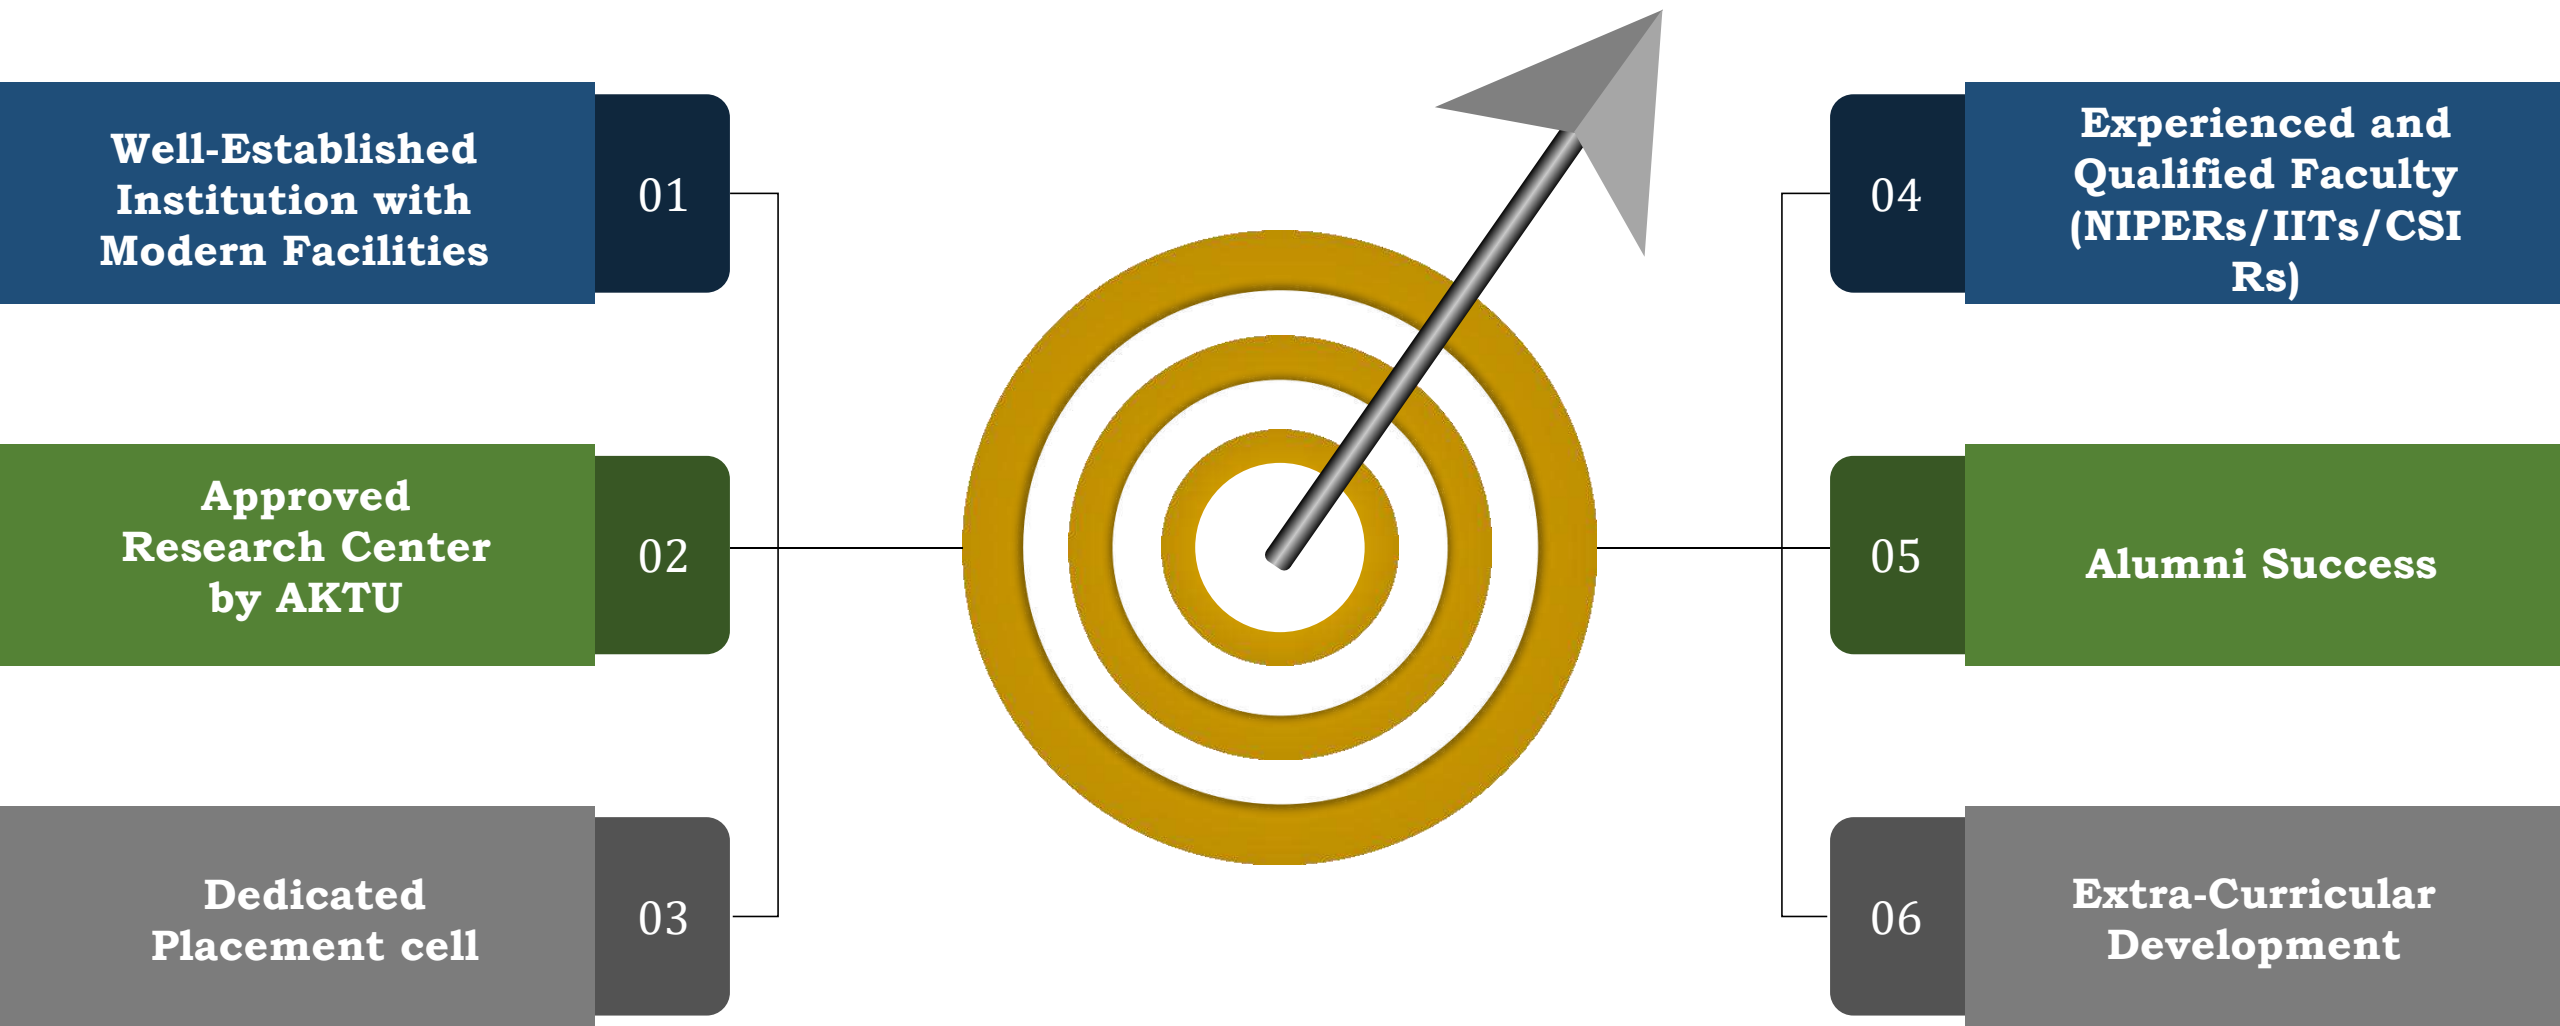

Pharmaceutical Industry

Pharmacists are involved in drug manufacturing, quality assurance, production, and regulatory affairs in pharma companies..

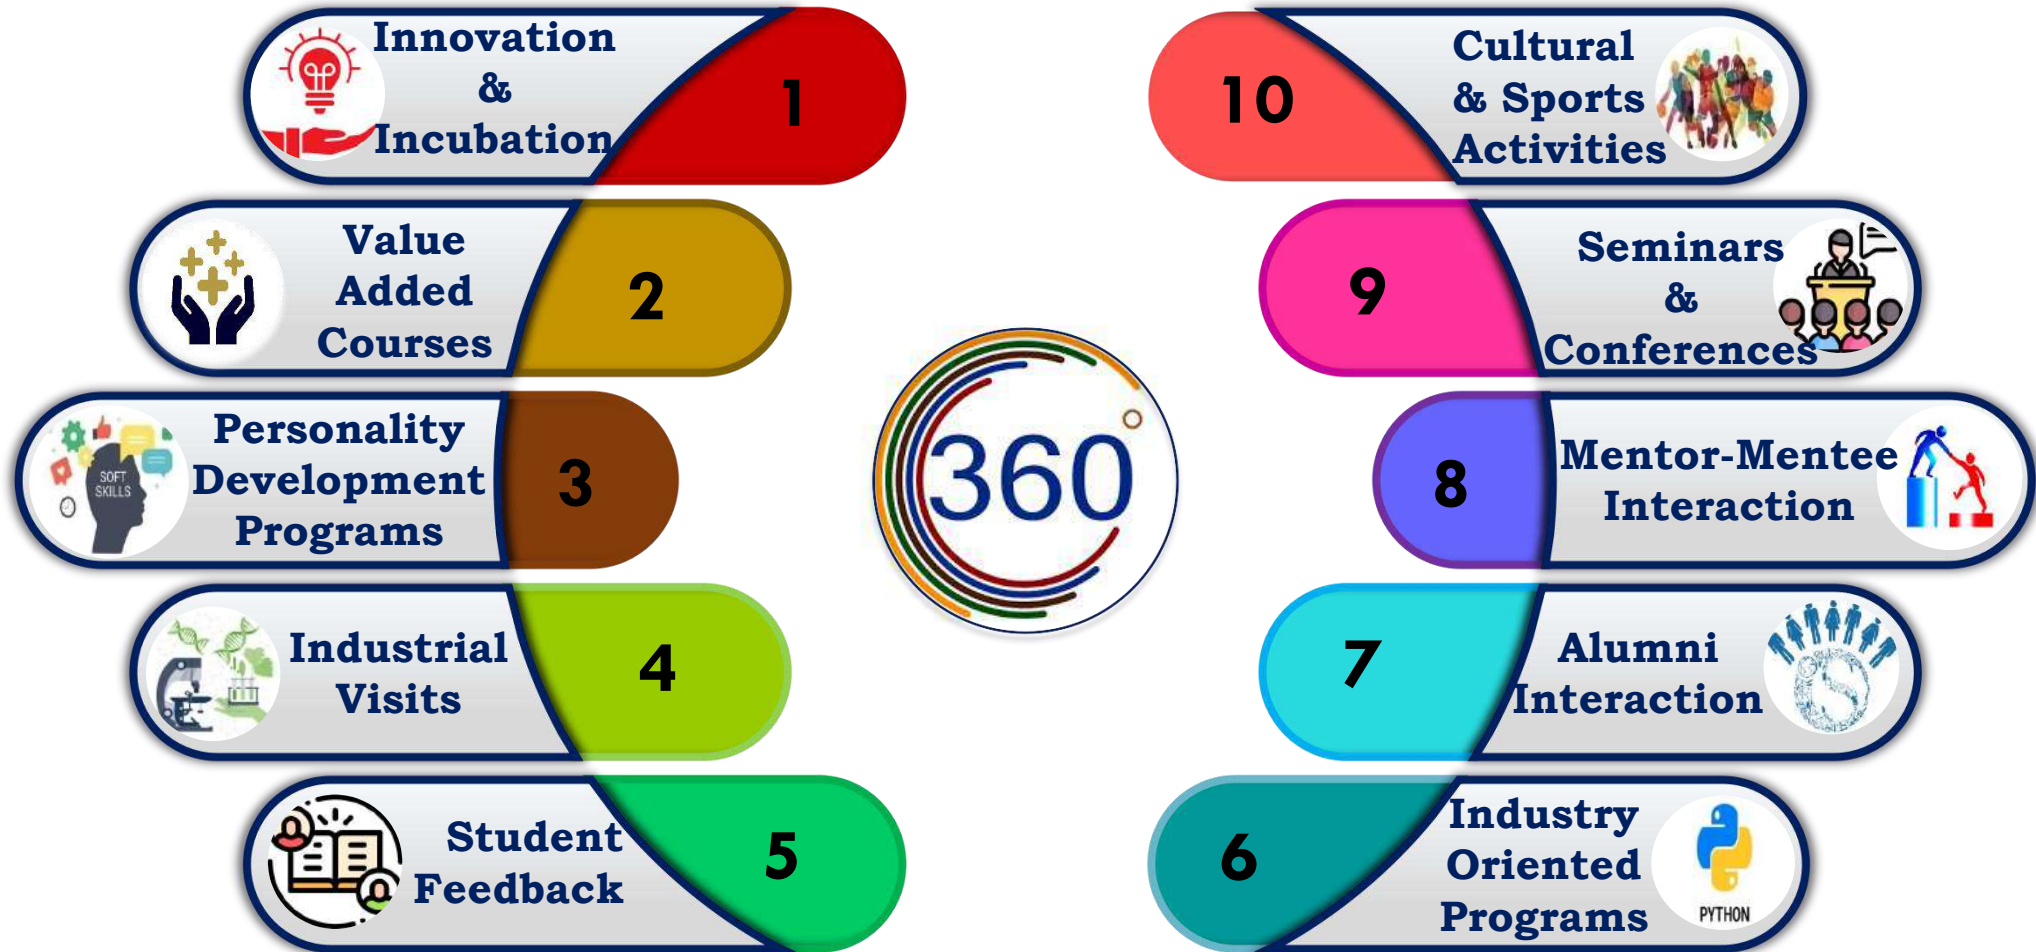

Higher Education

Advanced degrees in Pharmacy help specialize in pharmaceutics, pharmacology, clinical pharmacy, or industrial pharmacy.
