

**Board of Studies : Department of Pharmaceutical Technology**

As per University Grant Commission (conferment of Autonomous Status upon Colleges and Measures for Maintenance of Standard in Autonomous College) F.No.1-18/2021 (CPP-II) dated 3<sup>rd</sup> April, 2023, the composition of BOS is given below:

**Function of Board of Studies:**

- (i) Prepare syllabi for various courses keeping in view the objectives of the college, interest of the stakeholders and national requirement for consideration and approval of the Academic Council.
- (ii) Suggest methodologies for innovative teaching and evaluation techniques.
- (iii) Suggest panel of names to the Academic Council for appointment of examiners; and
- (iv) Coordinate research, teaching, extension and other academic activities in the department/college.

**Composition of Board of Studies:**

| S. No. | Particulars                                                                                     | Name & Designation of concerned person with details                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
